

ANGEL (Spread My Wings)

Music : Julie Brind'Amour, Dan Auger

Lyrics : Richard Domm

**Now, so many things that I see
Now, all the sounds, I hear
Make me feel full of sunshine
Now that I know you're all mine
Now**

**Now, those crazy times I have known
Don't seem to be so very bad
Now I see flowers smiling
I can see clouds a waving
Now, that you're by my side**

CHORUS

***You're my angel
Sweet angel
My Love / So fine
I'm your angel
So come and spread my wings***

***We'll be lovers
In heaven
Floating on our cloud
I'm your angel
Show me around***

**Now, such lovin' faces I see
Now, butterflies dancing by
Make me feel so like smiling
I can see crowds a waving
I, I'm so much in love**

(CHORUS)

**After I'd lost all of my faith
And hope
Your heart arrived
Right on time**

(CHORUS)
