

# COME RUNNIN' BACK

Music: *Julie Brind'Amour & Dan Auger*

Lyrics: *Richard Domm*

There will  
be a voice inside of you  
Soon it  
will be calling out

You'll just come running back  
You'll just come crying on your knees  
You'll be feeling so low  
You'll just come crawling back to me

Yeh I know you will  
feel the hurt you've done to me  
'cause my love's so strong  
Baby you will see

## *CHORUS*

*Your heart will just stop and  
you'll need me again babe  
A feeling just like before*

*Your mind will just go bam!  
You'll wonder where I am  
'cause you can't go on no more*

You'll be slipping away  
You'll be dreaming of me again  
You'll be feeling the fool  
You'll be wondering just what has changed

Don't you know you could  
never steal away from me  
'cause your love's become  
my sweet destiny

*(CHORUS)*

No more grief.  
No more leavin' baby.

*(CHORUS)*
