

# **I BELIEVE**

Music: *Julie Brind'Amour, Dan Auger*

Lyrics: *Richard Domm*

**I**

**Believe in the trees  
The smile on a face  
The wind I can't see**

**I**

**Believe in us all  
The young and the old  
Emotions I feel**

## **PRE-CHORUS**

**I believe in  
Good times ahead  
Somehow we're ah-all  
Gonna work it on out  
I believe there'll be a better world  
Come give a hand if you can**

## **CHORUS**

*Ah ah ah ah ah, I believe it  
I believe in, yeah  
Ah ah ah ah ah I  
Still believe in  
Yeh better days  
Better times to come*

**I**

**Believe flowers smile  
Cause somehow they know  
That good comes from bad**

**And I**

**believe in my soul  
Yeh I have what it takes  
to help things to change**

**(PRE-CHORUS)**
