

# **IRREPLACEABLE**

Music and Lyrics: *Monya Mathieu*

Piano Arrangement: *Sébastien Champagne*

You always did your best  
To keep me from the worst  
But I must confess  
I didn't understand at first  
I was restless and young  
Trying to prove I was bright  
Now my innocence has gone  
To let me know you were right

## **CHORUS**

*You're unforgettable  
Unbelievable  
And it's irrefutable  
That you're irreplaceable*

I wish I could give  
As much as you gave  
And the ones that you loved  
They probably think the same  
Coming back to you  
Has always been a warm shelter  
Now I know that you  
Will be a part of me forever

## **CHORUS**

*You're unforgettable  
Unbelievable  
And it's irrefutable  
That you're irreplaceable*

You tried to teach me not to cry cause you said it was worthless  
I'm sorry Mommy I still do cause I feel so helpless

*Hou....*

*That you're irreplaceable*
