

MY FIRST NIGHT WITHOUT YOU

Music: *Julie Brind'Amour & Dan Auger*

Lyrics : *Julie Brind'Amour & Richard Domm*

It's
July twenty ninth
and I lie
alone in bed
Troubled thoughts
are racing through
my head
Before
you were there
now you're gone
and tonight
I'm scared of what's beyond

CHORUS

*Life took you away from me
I thought you were my destiny
And here I am
Tonight alone
Thinking about
the good things you've left me
My only wish is to forget
this pain inside
That's the way I feel tonight
My first night without you*

I
would like to see
your smile
just once again
Then things
would be fine
until the end of time
And maybe
I'd stop looking for
any other signs
You'll always be
in my heart and my mind

(CHORUS)

My first night without you
