

SO CLOSE TO ME

Music: Julie Brind'Amour

Lyrics: Richard Domm & Julie Brind'Amour

**Last night
A whisper told me
There is somethin' I should confess
How my
Feelings of friendship
Turned into love**

**Yeah, my heart melts everytime you speak
I need to tell you how I feel
That you
You drive me crazy
When we touch**

CHORUS

***I want you so close to me
So close to me
Feeling you holding me in your arms
I want you so close to me
So close to me
Kissin' you all day
All night long***

***I should have told you about
My love
Yeh all my love
for you
I see you everywhere
Everywhere I go***

**A when
I am away from you
You know
You're always on my mind
Your eyes
So blue so magic
Oh so fine**

**I lose it
Everytime you smile
You make me feel so alive
Can't wait
I wanna be with you tonight**

(CHORUS)
